An Exclusive Homeowner Exchange Network

Resort to Resort is an exclusive Homeowner exchange network comprised of select whole, fractional and condo/hotel real estate developments at Intravel resorts as well as a portfolio of carefully selected partner resorts. Members have access to a growing collection of 155 properties at over 30 premier resort destinations around the world, and also enjoy access to more than 2,000 cruise itineraries with leading cruise lines such as Carnival, Holland America and Royal Caribbean. Members are also able to enjoy a world of adventure travel with Abercrombie and Kent.

How It Works

When you purchase a resort home in a Resort to Resort-affiliated property you purchase more than just that home. As a Resort to Resort member, you gain access to an expanding network of vacation opportunities in sought-after ski, golf, and beach resorts and cruise destinations.

It's simple.

STEP 1

When you are not using your resort home you simply deposit usage of your resort home with Resort to Resort.

STEP 2

You will receive Resort Credits for your deposit, based on the size and location of your property and time of year.

STEP 3

Choose the vacation destination or cruise itinerary you would like from the Resort to Resort portfolio of vacation opportunities and make your reservation request. Our dedicated team of Member Services representatives will search for and confirm your vacation availability.

*All that's left
is for you to relax
and enjoy your time away.*
